

NISHA PATTANAYAK

UI/UX DESIGNER | PRODUCT DESIGNER

Hyderabad, India | +91 8348965880 | nishapattanayak1403@gmail.com

PROFILE SUMMARY

Designing has always been part of my mindset, and my interest in technology gradually led me towards UI/UX Design. I have developed skills in User Research, Wireframing, User Flows, Prototyping, Figma, and High-Fidelity UI Design. I'm passionate about creating user-centered experiences and continuously learning new design tools, technologies, and UX practices.

EXPERIENCE

UI/UX Design Intern

Kit Skill Hub | Present

- Design user-centered interfaces for web and mobile applications using Figma, focusing on usability and intuitive interactions.
- Conduct user research, competitor analysis, wireframing, user flows, and interactive prototyping to solve design problems.
- Collaborate with mentors and apply design thinking and usability principles to develop accessible digital experiences.

JEWELLERY DESIGNER

Freelance | 2020–2025

- Worked with clients to understand requirements, manage revisions, and deliver accurate designs within timelines.

PROJECTS

Amazon Shopping App – UX Improvement

- Applied UX Research, Competitor Analysis, User Flows, Wireframing, Prototyping, and High-Fidelity UI Design to simplify navigation and product discovery while creating a more intuitive shopping experience.

DigiLocker – UX Case Study

- Used User Research, Information Architecture, Wireframing, Prototyping, and Usability Principles to redesign the name-mismatch workflow with clearer hierarchy, error handling, and user guidance.

Luxury Jewellery Brand – Branding & Website Design

- Demonstrated strong visual design, branding, typography, layout, and creative thinking by designing a complete brand identity and responsive website with consistent visual language across digital and print.
